WHAT WOULD HAPPEN IF . . . ?

What would happen if you saw the people in your life as divine appointments? What if God scheduled them to be next to you so that you could help, encourage, talk to, or share with them what God has given you? What if you lived with the perspective that God placed you next to them for a purpose? Would not your whole life become an adventure? You would not look the same at family, friends, co-workers, people you meet, or even your children.
