**Buddy & Loren Fitzgerald
Missionaries to Philippines**

Praises:

- Since March 15, they have been passing out bags of food from their home to hundreds of people each day! Before they get the bag of food, Buddy preaches to them.
- Cusco Baptist Bible college is able to operate on-line, so Buddy's teaching continues.
- New virtual Bible study group has started on Wednesdays with over 90 attendees!

Requests:

- For donations to continue so the meal distribution can go on.
- Those reached during this crisis will come to church once the restrictions are lifted
- The church wants to begin the building project, but that remains on hold because of the shutdown.

**Canda Family
Missionaries to the Philippines**

Praises:

- Before shutdown, AWANA at a new children's center in Anduyan started. After AWANA, they served lunch then distributed gospel tracts to the community.
- New chairs and fans were donated to the start of the Aringay church.
- At the first service in February, 9 people were saved!

Requests:

- Most people are out of work because of the shutdown.
- Church has not been able to meet, and many in this area do not have internet, so Pastor Canda has been doing in-home Bible studies with families.
